Early Intervention Support Services (EISS)

EISS offers an alternative for those who are not in need of hospitalization but require more intensive screening and counseling services. EISS can provide stabilization and supportive recovery with timely access to psychiatric consultation, counseling, and other services necessary to help individuals in need of urgent mental health care. EISS is located at 1225-125 Whitehorse-Mercerville Road, Building B, Suites 504-505, Hamilton, NJ 08619. Call (609) 256-4200 for rapid access to mental health services.
